MOFCOM Scholarship Programme in China – 2026

Master of Advanced Nursing Practice and Medical Technology Programme – Central South University

The Government of the People's Republic of China has invited nominations from eligible government sector officials for the above-mentioned scholarship programme. Detailed information on the programme, together with the 2026 Enrolment Guide, including eligibility criteria, scholarship coverage, and application procedures, are annexed herewith and will also be made available on the Department of External Resources (ERD) website (www.erd.gov.lk).

This programme is designed to equip participants with functional expertise, strategic perspectives, and public policy management competencies required to operate effectively in a dynamic and evolving environment. It further provides an opportunity to gain valuable insights into both the achievements and challenges of China's policy-making processes, thereby enhancing participants' understanding of development practices.

Accordingly, you are kindly requested to circulate the programme details among the Departments, Divisions, and Institutes gazetted under your purview and to forward suitable nominations to the ERD. Nominations should be submitted in compliance with TA Circular No. 2013/2014(ii) dated 24 October 2013 of the Ministry of Finance and Planning, together with the following documents:

- Nomination Letter from the respective Ministry (covering letter with recommendation)
- Duly completed Application Form (computer fillable version), downloadable from www.erd.gov.lk
- Soft copy of the completed Application Form in Word format, with an inserted electronic passport-size photograph (to be emailed to info@erd.gov.lk)
- Physical Examination Form (downloadable from www.erd.gov.lk)
- Duly completed ERD Form (downloadable from www.erd.gov.lk)
- One coloured scanned copy of the passport (bio-data page), valid for at least six months from the commencement date of the programme
- All other documents specified in the application procedure outlined in the attached information document, and any other documents required under the respective university application process.

Applicants are further required to submit their applications through the online application system of the respective university, in accordance with the relevant enrolment guidelines. In addition, applicants are requested to access the China Scholarship Council (CSC) online application portal (www.campuschina.org) and register under "Scholarship Application for Students." Applicants should carefully adhere to the application procedures stipulated in the 2026 Enrolment Guide.

Applicants are advised to ensure strict compliance with all eligibility criteria specified in the Enrolment Guide, including academic qualifications, age limits, and service requirements, where applicable.

It is also kindly requested that each nomination be duly certified and endorsed by the Head of the respective Department/Institution, confirming that the applicant meets all eligibility requirements and that the nomination is submitted with official concurrence.

Please ensure that complete applications are submitted to ERD on or before **4:00 p.m. on 12 May 2026**. Ministries are kindly requested to complete their internal screening and approval processes sufficiently in advance to facilitate timely submission. Only duly completed applications (items i–vii), received on or before the stipulated deadline, will be considered. Incomplete or non-compliant applications will not be processed.

Applications received by ERD will be forwarded to the Economic and Commercial Office of the Embassy of the People's Republic of China in Sri Lanka for the selection process. Shortlisted candidates will be informed in due course regarding the subsequent steps of the admission process.

For any clarifications relating to the application procedure, applicants may contact the Department of External Resources through the designated focal point of the Ministry/ institution.

Please note that, upon confirmation of selection, nominees are expected to honour their acceptance and refrain from withdrawal except under exceptional and unavoidable circumstances. As these opportunities are extended for the benefit of the country, withdrawals after selection may adversely affect Sri Lanka's standing and result in the loss of valuable training opportunities, while depriving other deserving officers. Accordingly, Ministries and applicants are kindly requested to ensure that nominations are submitted only with a firm and unconditional commitment to participate.

The Government of the People's Republic of China will provide a full scholarship covering the following expenses:

- Tuition fees
- Accommodation
- Round-trip international airfare
- Living allowance in China
- Medical insurance

The following expenses shall be borne by the applicant:

- Passport and visa fees

As the required information is to be submitted to the Embassy of the People's Republic of China within a limited timeframe, your kind cooperation in expediting the nomination process would be highly appreciated.

1. Program Introduction

1) Program Description

Brief Introduction

Academic Education Programs sponsored by the Ministry of Commerce of People's Republic of China started from 2008. It is designed to foster high-end business officials and managerial personnel for the recipient countries, offering one-year and two-year master programs as well as three-year doctoral programs for the purpose of educating high-end and inter-disciplinary talent working in the applied fields of government, trade, foreign affairs, agriculture, technology, education, culture and health, building intellectual capacity and facilitating the economic and social development of the recipient countries. These programs provide assistance to governmental officials, research fellows, and senior managerial personnel on their master and doctor education in China, which are fully conducted in English. Admission requirements include a bachelor's degree, relevant working experiences, and decent physical conditions, essential for the high-compact curriculum needed for the degrees. The program plays an increasingly significant role in the economic development cooperation between China and students' home countries, and is highly valued by the government of students' home countries.

This program is open to fresh university graduates as well as the experienced nursing professionals from developing countries, and is designed to train those students in the field of nursing and medical technology, and subsequently improve the nursing practice and health care & management in those countries.

Central South University has started the 2-year master program sponsored by Ministry of Commerce since 2015. It specializes in master of nursing and taught in English.

Prospective Students

Our prospective students are mid-to-senior level officials or managers from the government, the media, NGOs, and other public sectors, who have demonstrated superior performance, both academically in their work.

Program Objective

This program is open to fresh university graduates as well as the experienced nursing professionals from developing countries, and is designed to train those students in the field of nursing and medical technology, and subsequently improve the nursing practice and health care & management in those countries.

Students are expected to complete the program full time over 2 years.

The program aims to

- Provide students with an opportunity to learn fundamental knowledge and concepts in nursing and medical technology, to obtain the capability to carry out nursing research

Academic Education Programs Sponsored by Ministry of Commerce PRC

in their countries through learning Medical Statistics, Nursing Research and Application of Medical statistical Software.

- Help students to develop critical and clinical thinking skill, to learn professional skills associated with research, and to identify and solve the problem in the transition between theory and practice.
- Help students to obtain the capability of health care management and leadership.

Enrollment Plan:

In 2026 we have planned to enroll up to 25 students in our master program with a concentration on nursing. The program duration is 2 years and the instruction language is English.

Financial Support

- a. Students are exempt from tuition fee, teaching materials fees, culture visit and tour fee;
- b. University will provide free accommodation;
- c. The living expense being 3000 RMB/month will be deposited to students account by the university; the living expense is made on monthly based on the actual duration of the student's stay in China.
- d. The settlement allowance being 3000 RMB/person will be given to students account by the university;
- e. University will buy comprehensive medical insurance for students;
- f. One round-trip international air tickets for students first come to China and back home after graduation will be provided. During 2 years, another one round-trip international air tickets will be provided during the summer or winter vocation; (In case of major events, this policy will be flexibly adjusted or cancelled.)
- g. Students are required to take part in the Annual Evaluation. Those who meet the criteria can continue to enjoy full scholarship in the following year.
- h. The Ministry of Commerce subsidizes the university related expenses for its teaching and managing. Only the settlement allowance and the living expenses should be granted to the students, and other fees will be managed by Ministry of Commerce or by the university, not to be granted to the students.

The Ministry of Commerce only provides students with financial support during the school system (two-years for master students). The students who postponed their graduation will not receive the continuing support.

2) Introduction to Central South University

Brief Introduction

Academic Education Programs Sponsored by Ministry of Commerce PRC

Central South University (CSU) is situated in Changsha, a famous historical and cultural city in Hunan, China. As a top university directly under the Ministry of Education (MOE) of the People's Republic of China, CSU boasts of complete disciplinary systems for Non-ferrous Metals, Medicine, Rail Transit, etc., covering Philosophy, Economics, Law, Education, Literature, Science, Engineering, Medicine, Management and Art. CSU values moral education and high-quality cultivation, so it has been bettering its talent training model. It has over 55,000 full-time students, and nearly 2,000 international students.

Introduction of Xiangya School of Nursing

Xiangya Nursing Education at Central South University was established in 1911, making it one of the earliest institutions in China to offer nursing education. The undergraduate nursing program was launched in 1995. In 2000, it was approved by the Academic Degrees Committee of the State Council as an authorized institution to confer master's degrees in nursing. In 2004, doctoral students in nursing were enrolled through the clinical medicine discipline. In 2011, it became one of the first institutions in China to be approved as a doctoral program in the first-level nursing discipline. In 2012, it was designated as one of China's first post-doctoral research stations in nursing. In 2019, it was selected as one of the first national first-class undergraduate program construction sites.

The nursing discipline at Central South University ranks among the top in the nation, having received an A+ rating in both the fourth and fifth rounds of discipline evaluation conducted by the Ministry of Education. It ranked in the 50-75 bracket in the 2024-2025 ShanghaiRanking's Global Ranking of Academic Subjects, and climbed to 43rd place in the 2025 ranking, securing the top position domestically.

The Xiangya Nursing School integrates faculty resources from four Grade III Class A affiliated hospitals of Central South University, combining teaching, research, and clinical practice. The school boasts a strong and well-structured faculty team, forming a comprehensive "Great Xiangya" and "Great Nursing" system. The school currently has 73 full-time faculty members, including 43 professors (including chief nurses), over 18 associate professors (including associate chief nurses), 17 post-doctoral cooperative supervisors and doctoral supervisors, and 32 master's supervisors. Among the young and middle-aged faculty, there are 3 post-doctors who have completed their training, 4 currently in post-doctoral positions, and 51 who have obtained doctoral degrees.

MOFCOM SCHOLARSHIP-CSC Program (2026 Enrollment Guide)

Part one: Program Introduction

I Brief Introduction

Academic Education Programs sponsored by the Ministry of Commerce of People's Republic of China is designed to foster high-end business officials and managerial personnel for the recipient countries, offering master programs and doctoral programs for the purpose of educating high-end and inter-disciplinary talent working in the applied fields of government, trade, foreign affairs, agriculture, technology, education, culture and health, building intellectual capacity and facilitating the economic and social development of the recipient countries. These programs provide assistance to governmental officials, research fellows, and senior managerial personnel on their master and doctor education in China, which are fully conducted in English. Admission requirements include a bachelor's degree or master degree, relevant working experiences, and decent physical conditions, essential for the high-compact curriculum needed for the degrees. The programs are playing a more and more important role in stimulating economic cooperation between China and students' home countries, which the host governments are attaching great attention to this program.

MOFCOM Scholarship-CSC Program is set up by Ministry of Commerce of People's Republic of China to further strengthen the communication and cooperation between China and other countries as well as to develop talents for developing countries. Starting from 2015, MOFCOM Scholarship-CSC Program mainly sponsors the young and the middle-aged talents from recipient countries to pursue their postgraduate degree education in China. China Scholarship Council is entrusted to administer the Scholarship.
